Sexual Health on the Internet
Resources available from Health Information Resources (formerly National Library for Health) and elsewhere

Infections Specialist Library  http://www.library.nhs.uk/infections/
This contains material on HIV and STIs. Choose Infectious Diseases from the menu on the left, then Sexually Transmitted Infections.

Women's Health Specialist Library  http://www.library.nhs.uk/womenshealth/
Includes material on sexual infections, also sexual problems, sexual assault, female genital mutilation and fertility control

Family Planning Association  http://www.fpa.org.uk/
This is the U.K.’s leading sexual health charity. Its purpose is to enable people to make informed choices about sex and to enjoy sexual health.

Terrence Higgins Trust  http://www.tht.org.uk/
Gives support and information to the public and information to professionals about HIV.

NHS Choices—Sexual Health page  http://www.nhs.uk/Livewell/Sexualhealthtopics/Pages/Sexual-health-hub.aspx
Covers contraception, STIs, and how to have a healthy and fulfilling sex life

British Association for Sexual Health and HIV  http://www.bashh.org/
A professional body for those practicing sexual health including the management of STIs and HIV in the UK, offering training and working on standards of governance in the provision of sexual health and HIV care
Resources available through the Internet

Department of Health Cancer Page
Includes links to Cancer Reform Strategy, Manual for Cancer Services 2004, and other key information

NLH/ For Patients http://www.library.nhs.uk/forpatients/
These resources are selected for their value to patients and non-clinicians. On this page is a link to the NHS Direct Online Health Encyclopaedia, everything about conditions, tests, treatments, operations and services. Click on Cancer and it will break down into cancers of various sites.

Cancer Research UK http://www.cancerresearchuk.org/
This organisation does research and also provides an information service called CancerHelpUK

Cancerback http://www.cancerbackup.org.uk/Home/
A cancer information service with over 6,500 pages of up-to-date cancer information, practical advice and support for cancer patients, their families and carers

Intute: Health and life sciences http://www.intute.ac.uk/healthandlifesciences/
Further already evaluated websites can be found by searching Intute: Health and life sciences.
