

Local Council Support

Health and Social Care services are complex and often involve several different organisations. There are six local authority social services partners across Berkshire; Bracknell Forest, Reading, Slough, West Berkshire County Councils, Windsor & Maidenhead, and Wokingham. Please contact the council service based on where you/your loved one live.

Young Carers

Brighter Futures for Children

Support for children under 18 years who have extra responsibilities at home because of a disabled sibling or parent with support needs.

They cover three age groups; 6–9 years, 5–11 years, and 13–18 years.

To join, you need to have been assessed using the Young Carers screening tool.
