Register for an NHS OpenAthens account or reset your account password

Links to other useful resources. **TIP:** use the listed databases for a more in-depth literature search

Links to join the library, sign up of current awareness, or request evidence searches.

**TIP:** on the search results page use the filters on the left-hand side to reduce the number of results

# Results Page

View your search history

Results are automatically sorted by relevance - click to sort by date instead

Start a new search

Modify your search

Current search term(s) and applied search filters

Available limits:

Full text = only results available to access online will display

Peer reviewed = only peer reviewed research will display

Date range = use the sliding scale to narrow to a range

Source types = specify the type of resource you want e.g. books or journals (select 'show more' to view all options)

The screenshot shows the NHS Knowledge and Library Hub search results page. At the top, there is a navigation bar with links like 'New Search', 'Journals and ebooks A-Z', and 'Register for NHS OpenAthens'. Below this is a search bar with the text 'Searching: Health and care evidence, from Health Education England'. The search results are displayed in a list format, with each result showing the title, author, and a button to 'Access Online' or 'Request this item'. A sidebar on the right lists 'Further Resources' such as BMJ, BNF, ClinicalKey, and others. Green arrows point from text annotations to various elements on the page, such as the search bar, the 'Access Online' button, and the 'Further Resources' sidebar.

Links to other useful resources – your search terms will carry over

Links to other databases below for more in-depth and advanced

Online books and articles will display either an 'Access Online', 'PDF Full text', 'HTML Full text', 'Get PDF', or 'Request this item' button.

Results with an access online or full text button may be viewed in full - simply click the button and login with your NHS OpenAthens login details if requested.

Results with a request button are not available to access online but can be requested from the library - simply click the button, enter your contact details and submit.

# Saving searches and creating alerts

1. Select search history

2. Select save searches/ alerts

The screenshot shows the NHS Knowledge and Library Hub search interface. At the top, there are navigation links: New Search, Journals and ebooks A-Z, Register for NHS OpenAthens, Library Website, Sign In, Folder, Preferences, Ask-A-Librarian, Language, Help, and Logout. The search bar contains the text "Health and care evidence, from Health Education England". Below the search bar are links for Basic Search, Advanced Search, PICO Search, and Search History. The "Search History/Alerts" section is active, showing a table with search results. The table has columns for Search ID#, Search Terms, Search Options, and Actions. The first search result is S1 with the terms "COVID-19 misinformation AND social media". The search options include Expanders and Search modes. The actions include View Results (13,710), View Details, and Revise Search.

3. Give your search or alert a name, then choose to save as a permanent search, temporary search, or an alert. Select 'save'.

If you create an alert, you will be prompted to choose how often you receive alerts.

The screenshot shows the "Folder List" dialog box for saving a search or alert. It has fields for Name of Search/Alert, Description, and Date Created (12/1/2021). The search terms are "COVID-19 misinformation AND social media" and the database is "Health and care evidence, from Health Education England". The search strategy is "EBSCOhost Discovery Service". The "Save Search As" options are: Saved Search (Permanent) (selected), Saved Search (Temporary, 24 hours), and Alert. There are "Save" and "Cancel" buttons. Below is a "Search History" table with columns: #, Query, Limiters/Expanders, Last Run Via, Results, and Action.

#	Query	Limiters/Expanders	Last Run Via	Results	Action
S1	COVID-19 misinformation AND social media	Expanders - Apply related words; Also search within the full text of the articles; Apply equivalent subjects Search modes - Find all my search terms	Interface - EBSCO Discovery Service Search Screen - Basic Search Database - Health and care evidence, from Health Education England	13,710	Edit
