The screenshot shows the NHS Knowledge and Library Hub homepage. At the top, there is a navigation bar with links: New Search, Journals and ebooks A-Z, Register for NHS OpenAthens, Library Website, Sign In, Folder, Preferences, Ask-A-Librarian, Language, Help, and Logout. The main content area features the NHS logo and the title 'Knowledge and Library Hub'. Below this is a search bar with a dropdown menu set to 'Keyword' and a text input field containing 'Enter any words'. A 'Search' button is to the right of the input field, and a 'Create Alert' link is further right. Below the search bar are four columns of links: 'Clinical decision making' (with links to NICE Guidelines, NICE Evidence, BMJ Best Practice, UpToDate, Maudsley Prescribing Guidelines in Psychiatry, and Royal Marsden Manual of Clinical Nursing Procedures), 'In-depth searching' (with links to AMED, British Nursing Index, CINAHL, Cochrane Library, EMBASE, EMCARE, Medline, HMIC (Health Management Information Consortium), PsycINFO, Trip Pro Database, Pubmed, SocIndex, and PsycTherapy), 'Library Services' (with links to Membership, Current awareness, Request evidence search, How to search the literature effectively, and Training), and 'NHS OpenAthens' (with links to OpenAthens Registration, OpenAthens Password Reset, and Having Problems with OpenAthens?).

Saving searches and creating alerts

1. Select search history

2. Select save searches/ alerts

The screenshot shows the NHS Knowledge and Library Hub search interface. At the top, there are navigation links: New Search, Journals and ebooks A-Z, Register for NHS OpenAthens, Library Website, Sign In, Folder, Preferences, Ask-A-Librarian, Language, Help, and Logout. The search bar contains the text "Health and care evidence, from Health Education England". Below the search bar are links for Basic Search, Advanced Search, PICO Search, and Search History. The "Search History/Alerts" section is active, showing a table with search results. The table has columns for Search ID#, Search Terms, Search Options, and Actions. The first search result is S1 with the terms "COVID-19 misinformation AND social media". The search options include Expanders and Search modes. The actions include View Results (13,710), View Details, and Revise Search.

3. Give your search or alert a name, then choose to save as a permanent search, temporary search, or an alert. Select 'save'.

If you create an alert, you will be prompted to choose how often you receive alerts.

The screenshot shows the "Folder List" dialog box for saving a search or alert. It has fields for Name of Search/Alert, Description, and Date Created (12/1/2021). The search terms are "Health and care evidence, from Health Education England". The search strategy is "COVID-19 misinformation AND social media" and the interface is "EBSCOhost Discovery Service". Under "Save Search As", there are three options: Saved Search (Permanent) (selected), Saved Search (Temporary, 24 hours), and Alert. There are "Save" and "Cancel" buttons. Below is a "Search History" table with columns for #, Query, Limiters/Expanders, Last Run Via, Results, and Action.

#	Query	Limiters/Expanders	Last Run Via	Results	Action
S1	COVID-19 misinformation AND social media	Expanders - Apply related words; Also search within the full text of the articles; Apply equivalent subjects Search modes - Find all my search terms	Interface - EBSCO Discovery Service Search Screen - Basic Search Database - Health and care evidence, from Health Education England	13,710	Edit
