We are the specialist school nursing service.
We provide expert nursing care to children

0:00:05.680,0:00:11.760

and young people in specialist educational needs
schools across Berkshire, usually up to the age

0:00:11.760,0:00:17.200

of 19. We work closely with families, school
staff, and other professionals to make sure

0:00:17.200,0:00:22.640

health needs are met safely and appropriately
within the school environment. This includes

0:00:22.640,0:00:28.000

offering training and support to help school
staff feel confident in creating a safe and

0:00:28.000,0:00:33.520

supportive environment where pupils can enjoy
school and thrive. There is no formal referral

0:00:33.520,0:00:38.560

process to access our service as every child
or young person at the schools we work with are

0:00:38.560,0:00:43.840

automatically supported by us. If a child or young
person needs to use medical devices at school,

0:00:43.840,0:00:48.880

we will provide you with the information and
advice as soon as the device is received. You can
