

Children's Community Nursing team

Who we are

We're a team of qualified children's nurses who care for sick children in their own home or care setting wherever possible, in partnership with their carers and families.

A referral will have been made to us by a member of the paediatric ward team or your paediatrician.

We aim to provide a smooth transition between the hospital and the home.

We offer a nursing service to children and their families Monday and Friday from 9am-5pm, and Tuesday, Wednesday and Thursday from 8am-8pm, including bank holidays. If your child needs treatment at the weekend, you may have to return to the hospital.

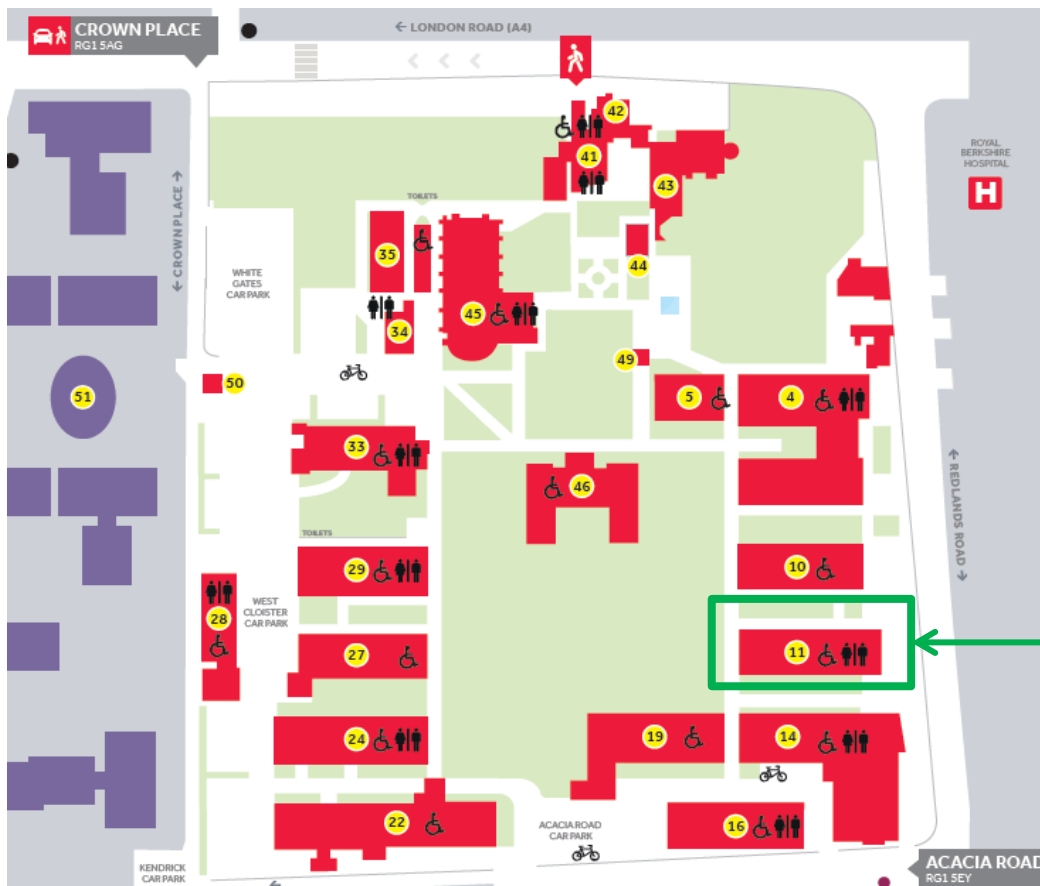

We're not an emergency service, if your child is sick please contact your GP or call NHS 111.

Where to find us

We're based at the Redlands Road side of the campus, at the University of Reading. This is listed as building 11 on the map.
