

What it's like to work for CAMHS in Berkshire video transcript

0:00:00.280,0:00:05.440

Berkshire Healthcare is a really special place to work whilst it's a really big organisation

0:00:05.440,0:00:10.720

with thousands of people it can feel small and that's because you feel that you're valued as

0:00:10.720,0:00:17.320

an individual I think it's like home to me you know it's family I knew really early on that I

0:00:17.320,0:00:22.680

wanted to stay here and I will stay here until retirement I have to be honest with you so one

0:00:22.680,0:00:26.960

of the things we're really keen on within Berkshire Healthcare is to make sure that we know what

0:00:26.960,0:00:32.320

your ambitions are what is it that we can do to help support you to to reach those ambitions

0:00:32.320,0:00:40.040

the thing that I love about my job the most is actually the people it's the warmth and

0:00:40.040,0:00:47.920

the support that I get from my team I think I

have a feeling of belonging it's joyful to to

0:00:47.920,0:00:52.840

see my colleagues if I think about them you
know my heart warms I think the thing I most

0:00:52.840,0:01:00.080

love about my job is the friendliness of the
trust you always made to feel really welcome

0:01:00.080,0:01:07.080

and I like the camaraderie between teams I love
working in a trust that is quite broad both in

0:01:07.080,0:01:12.800

terms of patient population but also in terms of
the services that we provide you're not coming to

0:01:12.800,0:01:17.160

Berkshire to work as an individual you're coming
to Berkshire to work as part of a really great

0:01:17.160,0:01:22.760

team the trust is really good at looking at
wellbeing of their staff and I think uh it's

0:01:22.760,0:01:27.800

something which is really at the forefront of
kind of the trust's values this means that as

0:01:27.800,0:01:33.920

a frontline clinician your ideas are heard and
acted on we are an organisation that really

0:01:33.920,0:01:39.960

looks after and cares for our staff I would
encourage everyone I go to my wider circles

0:01:39.960,0:01:46.800

and say come work for us in Berkshire Healthcare you
wake up and you think positively about going to

0:01:46.800,0:01:54.940

work and I can only recommend it and I
think you should come and join us.
