

Social Story for Initial Health Assessment

   
Your Initial health assessment.

  
Hello I am a doctor.

      
I will see you in a clinic room.

     
to ask you questions about your health

  
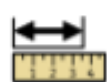

We can talk about:

        
sleep, food, drink, play, exercise, school, friends, family, likes

      
and dislikes, worries, teeth, eyes, ears, medicine.

We

measure

your

growth

but

you can

say no.

We

might

use

a stethoscope.

We

might

look

in your mouth

+

and ears.

We

will

ask

you

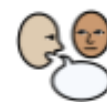

if

you

want to

talk to

us

alone.

We

will

speak

to

your

carer

+

and social worker

++

also,

this

might

be

with

you

in

or

out

the

room.

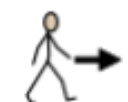

I

am

looking

forward

to

meeting

you.
