We are the chaplaincy and spiritual care service.  
We are a team of chaplains from different faith

traditions who provide emotional, spiritual and  
religious support for patients, carers and staff

across the Berkshire Healthcare NHS Foundation  
Trust. Our team includes Christian chaplain based

in hospitals across the county and we work closely  
with representatives from Hindu, Sikh, Muslim

0:00:27.360,0:00:35.120

and Jewish faiths to ensure that everybody has  
support. We can help you if you're facing illness,

anxiety, loss or uncertainty or if you would  
simply like someone to listen without judgment.

You do not need to have a religion to talk with  
us. We are here for people of all faiths and those

0:00:46.720,0:00:52.400

with no faith. We can provide a confidential and

compassionate listening space along with prayer

0:00:52.400,0:00:59.360

and sacraments if requested. If you wish, we can contact your own faith leader and signpost you to

0:00:59.360,0:01:05.520

other helpful sources of support. We also offer training for staff in spiritual care and mental
